INTRODUCTION

Greetings,

Fresh Fruits Company operates from Auckland, New Zealand – and is associated with the Middle East, Fresh Fruit Group of companies.

We specialize in exports to the – Middle East, Indian Ocean, Russian Far East and South East Asia regions with a little to Europe.

Bala, Denise and Marlon are the key people at Fresh Fruits Company based in New Zealand. All are EX-ZESPRI™ Kiwifruit employees, with over a decade of Kiwifruit and fresh produce experience between them. They sell product not only from New Zealand but from around the world.

Our philosophy is to procure “direct supply” of fresh produce from growers. We are contracted marketers for most of our global growers and have exclusive rights to sell and market fruit on their behalf in our Frutia™ and Montez™ brands.

Our primary exports from New Zealand are apples, onions, carrots (and ZESPRI™ Kiwifruit to India under license – which is currently packed under our Frutia™ brand).

During New Zealand’s down season we export from Australia - Kiwifruit, Murcott/Fremont Mandarins, and White Onions. We also service our customers with produce from China, consisting of Ya Pears, Garlic, Ginger, Chestnuts and Carrots. In addition we procure and ship Italian Kiwifruit.

Global Produce is packed and shipped under the MONTEZ™ , FRUTIA™ and FFC™ brands – quality and freshness guaranteed.

You can refer to our website for our complete background and portfolio of produce at:

We would be most delighted to market your fruit for the 2006 season.

We deal on Fixed price – M.G.P (NO CONSIGNMENT SALES.)
