

Te Mata Exports Limited

Te Mata Exports Limited is a privately owned Export House based in Hawkes Bay, the largest Horticultural growing region in New Zealand. Specializing in Apples, Pears and Cherries since deregulation in 2001, Te Mata works closely with its growers and packers to target market the premium Stone and Pipfruit produced in the region.

While offering the full range of the NZ varieties Royal Gala, Fuji, Granny Smith etc, we have also worked closely with our growers, packers and individual customers to improve the packaging, colour banding, presentation and consequent arrival condition of key New Zealand varieties including NZ Beauty, NZ Queen and NZ Rose Apples.

Te Mata interacts with key market participants focusing on innovation and quality improvement that increases the value chain for producers, buyers and consumers.
